**RULINGS: PLEASE TYPE THE FOLLOWING ON DOCKET SHEET**

The Court conducts a telephonic *Cheeks* hearing. Plaintiff and plaintiff's counsel both acknowledge on the record that, given the documentation produced by defendants substantiating their financial distress, the modest settlement sum is reasonable under the circumstances. Having reviewed the parties' *Cheeks* submissions, the Court has identified no issues with the settlement agreement but for the scope of the general release. The parties agree to modify the general release in the Settlement Agreement to make it a mutual general release. By Friday, March 18, 2022, the parties must file a revised settlement agreement (or an addendum thereto) and, if the parties so consent, an executed Section 636 consent form.
